AMENDMENT

Sir:

In response to the Office Action mailed September 22, 2004, please amend the above-identified application as follows. Changes to the claims are shown by strike through (for deleted matter) and underlining (for added matter).

Amendments to the Claims are reflected in the listing of claims which begins on page 2 of this paper.

Remarks begin on page 12 of this paper.

III. Rejections Under 35 U.S.C. §103

On page 3, the Office Action rejected claim 26 under 35 U.S.C. §103 as being allegedly obvious over U.S. Patent No. 6,030,108 to Ishiharada. Applicants respectfully traverse this rejection. In any case, since claim 26 depends from what is believed to be an allowable base claim, this rejection now is moot.

CONCLUSION

In view of the foregoing amendments and remarks, this application should now be in condition for allowance. A notice to this effect is respectfully requested. If the Examiner believes, after this amendment, that the application is not in condition for allowance, the Examiner is requested to call the Applicants' attorney at the telephone number listed below.

If this response is not considered timely filed and if a request for an extension of time is otherwise absent, Applicants hereby request any necessary extension of time. If there is a fee occasioned by this response, including an extension fee, that is not covered by an enclosed check, please charge any deficiency to Deposit Account No. 50/2762.

Respectfully submitted,
Frederick M. Morgan et al., Applicants
